

RIO Training and Events for Arts and Culture

A series of **Bridge Network Events** for the Cultural Sector

Real Ideas Organisation

Following a test period during the first half of 2013 RIO has created a series of 'Bridge Network Events' specifically designed for the cultural sector. Our offer is demand-led in response to close consultation with NPOs, museums, libraries, youth organisations and schools; we aim to provide up-to-date, accurate and expert information balanced with innovative approaches, practical tools and a little healthy debate!
